

Dear Blood Relatives,

Below is the ancestral line of a descendant of
Gijsbert Thaenisz in den Boogaertman from Schoonrewoerd (1540).

Personal data, such as photos, religion, home address and military service,
can be found on the private Bogerd family Website on Heritage.

More general and accessible information can be found at:

Facebook: Bogerdgenealogy

or

There are descendants of Gijsbert Thaenisz. in den Boogaertman who also van
Charlemagne (748) descended. In these cases, between 40 and 44 generations have been found.
Hendrika (Henrietta) Heikoop is not a descendant of Charlemagne.

If necessary, this information can be provided on personal request.
The generations not mentioned are available to those involved in various overviews.
Please contact me for information.

I have tried the data in this overview as accurately as possible
Nevertheless, inaccuracies may occur and improvements are possible.

The help of the families involved remains necessary to get the data correct and complete,
not just for the older generations,
but certainly as well as for the generations in the 20th and 21st century.

All overviews have the descendant of Gijsbert T in den Boogaertman as main line, but the
available overviews also include the partner and his/her ancestor line.

The photos not shown but available make it possible for later generations to
resemblance to ancestors.

I hope you enjoy reading about and searching for your ancestors.
